

# MEDICATION DISPOSAL DAYS

*"The largest source of pharmaceutical by products in our drinking water comes from the improper disposal of unused medications flushed down the drain."*

Keep Cobb Beautiful and Kaiser Permanente of Georgia, are offering the first **Medication Disposal Program** for the public in February 2010.

This is an opportunity for residents of Cobb to safely dispose of outdated or unused over the counter and prescription medications. Each Saturday in February, beginning February 6, one Senior Center in Cobb County will be the designated drop-off location from 9 a.m. until noon. (See schedule below). Volunteers and law enforcement personnel will be at each location to collect medications and properly dispose of them in compliance with Federal law.

*Items accepted will be: liquid and pill form medications, sharps and needles, diabetes materials, catheters, tubing, etc. No durable medical equipment (CPAP, nebulizers, etc.). Nothing will be accepted at any Senior Center or by any senior services staff person before or after the scheduled drop off days.*

## **9am – Noon (At These Locations & On These Days Only!)**

<b>February 6:</b>	<b>Windy Hill Senior Center</b>	<b>1885 Roswell St</b>	<b>Smyrna , GA 30080</b>
